SCHOLARSHIP PROGRAM 2025

This year's Scholarship Program was a resounding success! Scholarships are awarded to student members who are high school seniors, undergraduate students, or school employees planning to attend college, university, or technical school in the fall. We received a total of 99 applications and awarded six winners \$1,000 each to support their educational pursuits.

On June 17, we held a special ceremony at the Main Branch to honor our winners. The event was attended by members of our board, and the chairman, Mr. Joe Moreau, presented the winners with their certificates.

A special thank you goes out to everyone who submitted nominations, and congratulations to all of our winners! If you know someone who may qualify, please keep our scholarship program in mind for next year.
