Starting this January you can check balances faster, pay bills for free, transfer funds, and deposit money the smarter way!

Available in the Apple Store or on Google Play!

*Membership Eligibility Required. Card application subject to credit approval and lender's credit criteria. Offer applies to members and credit cards in good standing. Offer applies to any non-CenLA FCU balance transferred. Six months equates to 6 billing cycles. The 6 billing cycle period begins when transfer is posted; at expiration any remaining balance reverts to the non-promotional APR then in effect. Transfer(s) cannot exceed available credit limit. CenLA FCU is not responsible for finance or other charges owed to a creditor because a payment was not applied by date due. To avoid paying interest on purchases, your due date will be at least 25 days after the close of each billing cycle. We will not charge you any interest on purchases if you pay your entire balance by the due date each month. We calculate your balance based on "average daily balance (including new purchases)."
