# How To Protect Your Personal Information

Don't disclose your account information over the phone unless you initiate the call.

Open your monthly statements promptly and compare them to your receipts. Report mistakes or discrepancies as soon as possible.

Carry only the cards you'll need.

Don't carry your PIN in your wallet or purse.

Never write your PIN on anything.  
Commit it to memory.

Periodically check your account activity, especially if you bank online. Compare the current balance and transactions to those you've recorded.  
Report any discrepancies as soon as possible.
