This year's Scholarship Program was another tremendous success!

Each year, CenLA awards scholarships to support the educational goals of our student members. We were honored to receive applications from many outstanding students and are proud to award six scholarships of \$1,000 each to these deserving recipients.

We held a special recognition ceremony at the Main Branch to honor our winners. During the event, the Board Chairman, Mr. Joe Moreau, presented the winners with their certificates.

A special thank you goes out to everyone who submitted nominations. We look forward to continuing the tradition of investing in the future of our members and our community.
